#### II. NEW BUSINESS

- A. 2017 Budget Contingency for the Parks Department. The City has prepared a contingency budget for 2017. The contingency lists the 5% reduction amount and the 10% reduction amount for each division. The actual reductions shown total the 10% level. The total amount reduced is \$389,774 for the entire department. Later in the year, if the sales tax numbers improve, the Department could adjust the contingency down from the 10% level to the 5% level or less. The divisions of the department are Parks, Memorial Pool, Summit Activities Center/Recreation, Marne Creek Trails, Cemetery, and Golf Course. Please note the Golf budget reductions include funds from the Memorial Pool, Cemetery, and Parks Capital budgets totaling \$74,349. (attachments)
- B. Update on security cameras for cart sheds. Estimate for cost of installation of eight cameras with 4 in clubhouse and 4 for the cart sheds = approximately \$3,675. Costs of secure doors with access FOBS for the three private cart sheds is \$3,955. Cart Shed C is down to under 10 carts in storage. To have a golf cart key system changed is approximately \$80 to \$110 per cart. The board discussed a bicycle lock system for carts in storage to chain the cart to the cart shed. Some on the board felt it would be a hassle to try and find a place to chain to on the cart (axle, steering wheel, roof bracing) that would be sturdy enough to deter the people from breaking the cart apart to remove the chain. The board heard from present and past staff that historically not much theft or vandalism has been reported to the Fox Run staff. The City Attorney has reviewed the rental agreement and has agreed that the cart owners are still responsible for their personal property even though it is stored in a City building. Discussion will continue in 2017 on what to do with the Cart Shed C security issue.
- C. Year-to-Date Financials from City Software. (attachments) Tom distributed financials from the course software comparing year-to-date through April 19. Through the end March, the course is behind in net revenues compared to 2016. The month of April is shaping up to be one of the best in the past decade. Season pass sales have been a positive in 2017.

Currently up fifteen passes to date versus 2016. There have been 48 season passes sold to new patrons in 2017. 18 new adult passes, 17 new under 30 adult passes, three new +1 passes, some additional youth passes, and some radio advertising trade passes. Range revenue is up in 2017. Pro-shop revenue is down but new merchandise is just starting to arrive. Food and Beverage is up over \$4,000 compared to 2016. Prepared food is up \$2,777 and alcohol revenue is up \$1,600 even though rounds played year-to-date is down. The new food menu has been well received. Tom is working to find a good mix for the pro-shop offerings. He has examined past financials for the pro-shop and believes the course has the possibility for growth over the past years poor performance. Tom will also look at having staff where Fox Run shirts in 2017. 40 Great Life golfers to date. Most of those are walkers so not a lot of cart revenue. \$285 in green fees from the Great Life golfers. \$167 in food & beverage and pro-shop sales to the Great Life golfers. Using the year-to-date Great Life numbers projects out to an additional \$24,000 in course revenue for 2017. The board is hopeful that will be an even bigger projection once the weather changes to summer. The State bowling tournament has generated walk-up golf at the course.

- D. Simulator operations wrap-up for 2016-2017. Tom J. Revenues are down about \$700 and the league was two weeks shorter than past winters.
- E. 2017 course events update. Pro-am updates. Tom J. Currently, there are 43 men's league teams, 17 ladies league teams, and 29 senior league teams. Monday league is down one team from last year, Tuesday is the same, Thursday is down one team, women's is the same, and senior league is up one team from last year. Ladies league mentioned a concern about having someone in the clubhouse after league who knows the rules and can answer questions. Also suggested to have a five minute rules education presentation on Wednesday nights before women's league goes out to play. With all leagues, if there is a rules question on the course and teams have concerns, the proper way to handle it is to have the person in question play a provisional ball on the hole also and document both scores. A description of what the rule question is should be written out and handed in with the scorecard. If the pro is not present at the end of the round, the scorecard and rule question description can be read by the pro at a later time, phone calls can be made, questions can be answered, and then a ruling can be made of which score to use. A Pro-Am Committee has been formed and consists of Tom Jeffers, Todd Rodig, Nicki Anderson, Dan Kramer, Tyler Vogt, and Bret Sime. They have secured a title sponsor for the tournament- American Food Group. They have changed the sponsorship packages and working to secure more sponsorships for 2017. They have also changed the format for the tournament. Day one and day two will be scored with 1 net and 2 gross. Day three will be 2 nets. There will be a pro-cut for Sunday. On Sunday, amateurs will not play with a pro.
- F. Course conditions and projects. Rockie W. The irrigation system has been turned on. Preemergences have been applied to the course. The greens have been fertilized. Jason Metz has been hired as the assistant grounds maintenance full-time employee.
