

Following is the rental agreement for the renewal of your golf car storage space and annual trail fee at Fox Run Golf Course for the 2015 season. Renewal fees and form must be returned by **March 1st, 2015**. The amount owed for storage and trail fee is \$455.00, tax included. Any forms and fees not returned by this deadline will be interpreted as our notification that you are not going to renew and your space will be made available to someone else. If you have any questions, please contact the clubhouse.

In 2004, the Golf Advisory Board passed, “that in order to store your golf cart in the golf cart sheds, you MUST purchase an Annual Golf Pass for that year.”

Need a golf cart for the season? Lease a Fox Run Golf Cart for the entire season: An individual lease is \$400.00 and a couple’s lease is \$520.00, taxes included. Additional children are \$20 each. When signing up for the program, you must sign an annual lease agreement. As these are Fox Run-owned golf carts, any additional rider, other than one included on the annual lease agreement, must pay Fox Run Golf Course the appropriate 9 or 18-hole cart fee.

With your assistance we are able to keep storage and trail fees to a minimum. It is not intended that privately-owned carts are also for use by others that may be “borrowing” them. Anyone who is not listed as a Primary or Co-Owner on a private cart, or included on the Annual Pass of the Primary or Co-Owner, **MUST** pay an \$10.00 daily trail fee for 18 holes or a \$5 daily trail fee for 9 holes to Fox Run Golf Course when borrowing a private cart. Thank you for your cooperation.

Rules and Regulations Regarding the use of Private Golf Cars at Fox Run Golf Course:

1. *Fox Run management holds the sole responsibility to manage, operate and assign use of the golf car storage sheds. Owners do not have the authority to sublet, rent, sell, or by similar actions, let others use storage spaces. Selling your golf car because you may be leaving Fox Run does not include "selling" the storage space with it. Only those on our waiting list will be assigned to vacancies.*
2. *Golf course management may restrict use of golf cars on the course at any time.*
3. *As a courtesy to our cart storage patrons we will provide, at no charge and only until said round is complete, a Fox Run golf cart to you if your cart becomes inoperable during the course of a round of golf. However, this courtesy: a) is contingent upon Fox Run having a cart available for use at the time, and sufficient Fox Run personnel available at the time to get a cart to you on the golf course; and b) is not intended to go beyond a cart break down scenario. In other words, appropriate per round cart fees will be charged if your cart remains inoperable beyond the said round of golf.*
4. *In the event of a private cart becoming inoperable while on the golf course, it is the cart owner’s responsibility to remove the cart from the golf course. Fox Run may offer help in this instance, but said assistance will also be contingent on availability of Fox Run personnel and equipment. In the event Fox Run’s personnel or equipment is used in the course of offering said assistance, Fox Run will not be liable for any personal injury or damage to your cart that occurs as a result of said assistance.*
5. *All players must register prior to playing.*
6. *No outside food or beverages may be brought on to Fox Run Golf Course property.*
7. *A valid driver's license or restricted permit is required to operate golf cars.*
8. *Keep golf cars at least 15 yards from tees and greens, and on paths where provided.*
9. *Every player must have his or her own set of clubs.*
10. *Golf cars are to be stored soon after each use.*
11. *Golf car owners with cars stored on site must pay the appropriate annual trail fee.*
12. *Golf car owners storing on site, including co-owners, must purchase an annual golf pass.*
13. *The City of Yankton, Fox Run Golf Course, and its employees and/or representatives are not responsible or liable for losses incurred by car owners.*
14. **ONLY THE GOLF CART THAT IS ON RECORD MAY OCCUPY THE STALL!!**
15. **GAS AND ELECTRICITY IS PROVIDED FOR ONLY THE GOLF CART THAT IS ON RECORD WITH FOX RUN GOLF COURSE. NO OTHER GOLF CART, VEHICLE OR OTHER MOTORIZED DEVICE CAN RECEIVE GAS OR ELECTRICITY**

Violation of these rules and regulations, and others not specifically mentioned but deemed inappropriate by course management, may result in this agreement being voided and the golf car being removed from storage. No refunds will be given for loss of storage or use privileges.

2015 Fox Run Golf Car Storage Renewal

Primary Golf Cart Owner (please print): _____

Contact & cart information below is for Primary Owner only. Thanks.

Address: _____ E-Mail: _____
