

FOX RUN MEN'S FALL GOLF LEAGUE 2015
2 MAN LEAGUE
SCRAMBLE FORMAT

The following guidelines are established to make each week as enjoyable and equitable as possible:

- 1 All Players must have a current GHIN handicap, or league handicap.**
- 2 Tee times will be assigned randomly starting at 4:45 – 5:07. Due to limited sunshine we have to start early.
- 3 This will be a 2-man scramble league. Each person tees off, take the best shot then continue this format until the ball is holed.
- 4 If a player cannot be present for a match, please ask someone from the substitute list. If no substitute can be found, you may, with the agreement of your opponents, make up the match in advance. Rescheduled matches must be completed prior to the start of the following week's matches. If necessary, a single player can represent his team, details listed in scoring below. Please keep golf staff updated of any make up matches.
- 5 We are aerating our greens on September 28 & 29.
- 6 The entry fee will be \$25 per player.

SCORING OF THE COMPETITION

- 1 Teams will compete in a match play format using the team's NET scramble score. You will receive 1 point for each hole won. Ties will be worth ½ of a point. Hole handicap stroke allocation will be determined by the difference between the team handicaps, rounding up to the nearest whole number. For example, if Team A has a team handicap of 2.7 and Team B has a team handicap of 3.2. The difference of .5 is rounded to a 1, and so Team B gets one handicap stroke applied to the hole with the lowest hole handicap.
- 2 The remaining points (Ranking Points) for each week will be earned in competition against the entire field of teams. Ranking Points will be awarded as follows: For example, with 9 teams, the Net score of the team will be compared to all other teams' Net scores for the week. **Net score is calculated by taking your team's total course handicap for 9 holes and dividing it by 4. Round to the nearest tenth when figuring your team handicap** (A 4.25 would be a 4.3). The team with the lowest Net score will be awarded 9 additional points to their match points. The 2nd lowest Net score receives 8 points plus their match points, and continuing on down to the highest Net score, which will receive 1 point plus any earned match points. The greatest number of points any team can earn for 1 week is 18 (9 Ranking Points for lowest net score plus 9 Match Points if they win every hole of the match).
- 3 Missing Player Policy: The single player will play his ball against the opponent's Scramble Score for the match points in head to head competition. The single player will NOT hit his ball twice to simulate a scramble. The single player's Net 9-hole score will go towards the other Net scores for ranking points! The single player's handicap will be calculated by taking his 9-hole course handicap and dividing it by 4, rounding to the nearest tenth. **YOU ARE PENALIZED FOR NOT FINDING A PLAYER!**
- 4 Team No Show Policy: Any team that no-shows for their scheduled match will receive zero points for the week, unless that team's opponents agree to a make-up match. All make-up matches must be completed prior to the start of the following week's matches. If the match is unable to be played, the team that did show up will play, with their opponent for the week being a blind draw from the rest of the field.

LEAGUE WILL START THE WEEK OF SEPTEMBER 13th.
