(605) 668-5255

The original plans and specifications are hereby amended by this Addendum. Bidders shall acknowledge receipt of this addendum by noting the addendum number and date on the space provided on the Bid Form. Bidders who distribute these specifications to subcontractors or suppliers are responsible for the distribution of the information contained herein to either the subcontractor or supplier.

Issued By 
Bradley C. Moser, Civil Engineer

1. For clarification purposes – tie bars, for transverse joints, are only required where new paving meets existing pavement or at construction joints, where paving operations had previously ended. All other transverse joints shall be constructed, as per SDDOT plate 380.03 (without dowel bar assembly).
