### <u>AGENDA</u> YANKTON PARK ADVISORY BOARD Monday, July 1, 2019 – Community Room CMTEA Building, 1200 W. 21<sup>st</sup> Street – 5:30 PM

## I. ROUTINE BUSINESS

- A. Roll Call. Dave Spencer will be absent.
- B. Consideration of May 6, 2019 Minutes. (attachment)
- C. Public Appearances. Public appearance is a time for persons to address the Board on items not listed on the agenda.

## II. OLD BUSINESS

- A. Riverside Park Christmas Lighting and Decorating program. Update on committee discussions from June meeting at Chamber. (attachment)
- B. Westside Park Master Planning process. We will also utilize the August 5 PAB meeting dates to present plans to the public that can be refined down to a plan that can be brought to the City Commission on August 26. Through this process we've continued to hear the park is liked by patrons, but it would be great to have some facilities enhanced and a few new amenities added. Items that were common across the three plans that received positive feedback from survey results: Expanded parking, new play structure, expand trail system with trail lighting, new restrooms and restrooms on each side of park, ADA accessible fishing dock, and more picnic shelters. (attachment)

## III. NEW BUSINESS

- A. Welcome new board appointees. Elizabeth Healy and Jason Tellus.
- B. 2020 Capital Improvements Plan (CIP) presentation. City Manager Amy Leon. (attachment)
- C. Walnut Street Fire Feature naming rights recommendation. Naming request is, "The Cheryl Ann Sommer Memorial Fire Feature."

The naming right "name" and sponsor names will stay in place at the site for the life of the fire feature or until a major renovation has to occur on the fire feature.

This recommendation will go to the City Commission on July 22. Ultimately, approval of this naming right is up to the City Commission.

D. Veteran's naming wall project proposed layout in Fantle Memorial Park. (attachment)

- E. City staff will work with District III Planning and Development to identify federal assistance and grants money to apply for to help with the Marne Creek corridor and re-building of the maintenance trail. This is going to be multiple years of budgeting and securing of funds. FEMA initial meeting July 17.
- F. Future of Parks Advisory Board discussion.

As we move forward this year, we would like to have discussion and thought put in to some different ideas to see what the PAB should be in the future:

Board members should recruit future members and provide these names to the City so they may be asked to serve on the board.

• How do we make sure we are getting a good mix of gender, ages, and leisure interests for those who serve on the board?

The Board should review the by-laws and suggest updates/changes. (attachment)

• Discussions can include meeting days and times? Should there be meetings once-a-month, should the meetings be every other month, or quarterly? What times would work best for meetings to allow board members and the general public to attend? What day of the week would be best?

How does the Parks Board engage the public to get more input on specific park topics that we will discuss at meetings or when we are planning projects for the future?

There may be other thoughts you have about the board and how to better serve the public. Please bring these forward so we can have the discussion.

G. General Discussion.

## IV. OTHER BUSINESS

- A. Commission Information Memorandums. (2 CIM attachments)
  - Other completed work projects for the department are noted in the CIMs.
  - Next Meeting Monday, August 5, 2019. The meeting will be utilized to unveil a proposed master plan for Westside Park. The general public will be invited to the meeting specifically for the Westside Park presentation and discussion.

## V. ADJOURN

The City of Yankton Community Meeting Room is accessible to everyone. If you have any additional accommodation requirements, please call 668-5221.

Should you have any reason to believe an open meetings law has been violated please contact the Open Meetings Commission at the South Dakota Office of the Attorney General at: 1302 E. Hwy 14, Suite 1, Pierre, SD 57501-8501 or by phone at 605-773-3215.

The MISSION of the City of Yankton is to provide exemplary experiences, services & spaces that create opportunities for everyone to learn, engage, and thrive.

# MINUTES YANKTON PARK ADVISORY BOARD Monday, May 6, 2019 CMTEA Building, Community Room, 1200 W. 21<sup>st</sup> Street – 5:30 PM

## I. ROUTINE BUSINESS

Roll Call: Present:

Dave Withrow, Bryan Schoenfelder, Darcie Briggs, Katelyn Schramm and Commissioner Stephanie Moser.

Absent: Dave Spencer and Catherine Crandall.

Also present City Manager Amy Leon, Director of Parks and Recreation Todd Larson, and Parks Secretary Chasity McHenry.

High School Appearances: None.

Public Appearances: None.

Minutes: April 1, 2019 minutes approved. Schramm motioned. Withrow second. Motion passes 4-0.

## II. OLD BUSINESS

- A. Riverside Park Christmas Lighting and Decorating program. Carmen Schramm is going to invite some businesses and individuals from the community to a meeting to further the discussion. The invitees have expressed an interest to have a Christmas display to the Chamber in the past. No date has been set.
- B. Westside Park Master Planning process. May 6 at 7:00pm at the CMTEA Meeting Room. We will also utilize the July 1 PAB meeting dates to present plans to the public that can be refined down to a plan that can be brought to the City Commission on July 22. Mount Marty will utilize the field space for sports practices so two items to keep in mind will be 1) how do the athletes safely cross Summit Street when walking from campus, and 2) if the athletes drive to the field for practice and utilize the parking in the park there may be no parking available to the general public.

## III. NEW BUSINESS

A. Prioritize capital items for the 2020 budget. Skate park request for matching funds to purchase new equipment will go before the City Commission in May since it was not budgeted for in 2019. There have been some residents in the Fox Run Park neighborhood that would like a tennis court in the park. The board discussed Fantle Memorial Park as a priority so the park improvements are done to coincide with the opening of the new aquatics facility. With the work going in to the Westside Park master planning process, Westside Park should become the next priority after Memorial Park. Sports facilities improvements may be

The MISSION of the City of Yankton is to provide exemplary experiences, services & spaces that create opportunities for everyone to learn, engage, and thrive.

prioritized when the different sports groups have master plans in place for the facilities they use and those groups can provide funding to help with the improvements.

- B. The trail staff and other city staff are evaluating the trail, cleaning the trail, and have been opening parts of the trail as they are cleaned and deemed safe for the public. Some parts of the trail, especially south of 7<sup>th</sup> Street leading trough Rotary Park no longer exist and will be closed indefinitely. The trail from 21<sup>st</sup> Street heading south and then heading east to Broadway is open, including the spur of trail that passes under the RR Bridge and heads east to Broadway just north of Pizza Hut. Paddlewheel Point has been opened back up with the addition of a gravel path to detour around where the trail has fallen into the creek.
- C. Summer recreation sign-up has been going on since Tuesday, April 16.
- D. The Dive-In-Yankton group and City Staff are working to present an updated facility design/plan to the community on May 21.
- E. General Discussion.

### IV. OTHER BUSINESS

- A. Commission information Memorandums (1 CIM attachment).
- B. Next Meeting: Monday, July 1, 2019. There will be no June meeting for the PAB as Todd Larson will be out-of-town the first week of June.

## V. ADJOURN

Briggs motioned, Withrow second. Motion carried 4-0.

#### HOLIDAY DECORATIONS-DOWNTOWN YANKTON & RIVERSIDE PARK

**Objective**; to take advantage of Yankton's natural beauty to develop a Holiday theme setting in the downtown and Riverside Park area making Yankton a destination point in December.

Where; Walnut Street, from Douglas to Broadway and adjacent cross streets, 2<sup>nd</sup> Street to 4<sup>th</sup> Street, Riverside Park and Levee Drive and the Meridian Bridge

**When;** promote the area in conjunction with Yankton's Parade of Lights, running thru January 1. Project could start in 2019, ramping up expansion in 2020 and 2021. Start with Walnut Street and move to Riverside Park as the water treatment plant project is completed.

Who; business owners, local civic organizations, churches, area schools and any Holiday Enthusiasts!

### What;

## Walnut Street (Broadway to Douglas) and those adjacent streets from 2<sup>nd</sup> Street to 4<sup>th</sup> Street

-businesses can select illuminated displays (from a pre-approved list of options) to be displayed in store front windows

-involved street intersections to have displays and trees decorated in new landscaping areas

-illuminated lights to hang across Walnut Street, giving it a snowflake type of effect. Possible themed garland hanging could hang across the street as well, maybe closer to Broadway.

-open up a building such as former Ace Hardware of Hatch Furniture for a Santaland with decorated Christmas Trees by sponsoring organizations (could also be a charitable fund donation opportunity here), children visiting a Santa Workshop and visits to Santa at designated times. This area could also serve as an opportunity for local school choirs/instrumental groups or church choirs to sing/play.

### Levee Street/Riverside Park/Meridian Bridge area

-light trees in Riverside Park along the walking paths in the park (similar look and feel to Falls Park in Sioux Falls).

-organizations can sponsor illuminated displays (again from the pre-approved list) and also see if former themed displays from past years along Levee Street can be utilized, or re-created.

-train rides in the park on designated days/evenings

-expand the decorations at the Dakota Territorial Capital.

-inside the capital, Santa could be visited on Fri/Sat nights, Sunday afternoons with his chair and the "North Pole" lite at night during the week if people want to "peek" inside. Holiday snacks and easy Santa Workshop projects could be done upstairs for young children. Volunteers could serve in the capital from civic groups and/or local church groups.

-ice skating sometime in the future near the Meridian Bridge?

-illuminated display(s) on the bridge in the future. Consider a large display on the west side of the bridge?

### Other

-decide on a new 'theme' each year or stick to one consistent theme to use year after year? Leave up to businesses on 3<sup>rd</sup> street or will the committee decide? Align theme with city's annual Parade of Lights?

# CITY OF YANKTON

# PARK ADVISORY BOARD

### **PURPOSE:**

The purpose of the Park Advisory Board (PAB) is to serve as the community's representation in park and recreation planning. The PAB should provide input regarding the City's park system, recreation facilities, and recreation programming (excluding Fox Run Golf Course). The board should provide support and ideas for the park and recreation staff (brainstorming and implementation). Approved recommendations by the PAB will be forwarded to the Board of City Commissioners for their consideration and action. The PAB makes recommendations only and is not empowered to stop any action the Commission may take on the recommendations. In Yankton, where the form of government stresses the Board of Commissioners as the policy and decision making body, the PAB serves as a useful link with the citizenry and as an influential element in the process.

## **RESPONSIBILITIES:**

The PAB is an advisory board appointed by the Mayor and confirmed by the Board of Commissioners to:

- Educate fellow citizens on the value of recreation and park services.
- Solicit and represent community members' recreation and leisure needs and wants. (feedback)
- Provide 5 10 year development direction.
- Assist in generating ideas on special events, promotions, planning issues, etc.
- Assist in determining the location, design, development, and operation of parks and recreation facilities.
- Assist in determining future park and recreation needs for inclusion in the capital improvements and land use programs (input to Planning and Zoning).
- Assist in public forums, assist neighborhoods, and advise consultants on the development of neighborhood, community, and regional parks for Commission approval.
- Recommend any rules or regulations necessary for the regulation of parks, facilities, and trails.
- Assist in coordinating, development, and building recreation programs and parks, facilities, and trails with other public and private agencies or corporations.
- Promote public/private investment and involvement with the park and recreation department.
- Assist in promoting good will in the community, regional area, amongst the citizens, and amongst the governing body.
- In addition to the possibility of serving on other committees related to park system and recreation facilities issues, members may assist in other tasks as may be appropriate.

### NUMBER OF MEMBERS

The PAB shall be composed of up to seven (7) members appointed by the Mayor and confirmed by the Board of City Commissioners, one (1) of whom shall be a member of the Board of City Commissioners, other than the mayor.

### TERMS

The PAB terms of appointment, other than the member of the Board of City Commissioners, shall be three (3) years. The term of the City Commissioner shall be one (1) year. Each term shall begin on the first commission meeting in June.

### QUALIFICIATIONS

Members shall be residents of the City and shall be selected at-large. Members should believe in the purposes/values/benefits of parks and recreation. Be committed to ALL citizens. Realize that compromise is essential. Remember the entire community, not just his/her special interest.

## **MEETING TIMES and AGENDAS**

Meetings shall be as required to fulfill duties. Current regularly scheduled meeting date, time, and location is the 1<sup>st</sup> Monday of each month beginning at 5:30pm at the Technical Education Center, 1200 West 21<sup>st</sup> St. Notice may be given to cancel, change, or add additional meetings. Current members of the PAB and staff shall establish dates and times.

Agendas are prepared in advance of each meeting by the Park and Recreation Director. Board members or community members should provide items for the agenda to the office of Parks and Recreation at least one week prior to any meeting.

## ATTENDANCE

Members are expected to attend all scheduled meetings. If a member fails to attend sixty (60) percent (8 of 12 meetings) in any consecutive twelve (12) month period, such member shall be considered removed from the board and may only be reinstated by action of the Mayor with approval of the Board of Commissioners. A replacement for the removed member will be sought. If a member fails to attend three (3) consecutive meetings, such member shall be considered removed from the board and may only be reinstated by action of the Mayor with approval of the Board of Commissioners. A replacement for the removed member shall be considered removed from the board and may only be reinstated by action of the Mayor with approval of the Board of Commissioners. A replacement for the removed member shall be considered removed from the board and may only be reinstated by action of the Sought.

## COMPENSATION

The members of the PAB shall serve without compensation except for actual expenses, which are subject to the approval of the Board of City Commissioners.

(Note: This document provides a guideline for PAB members and may not include all tasks.)

# PARKS

The Parks Department had an arbor day celebration and planting of three trees at Sertoma Park, to the west of the play area. One of the trees was donated by KYNT. The ceremony was broadcast on Facebook Live.

The Parks Department has started to prepare the Fantle Memorial Pool for the summer swimming season in 2019.

The Parks Department prepared Riverside Park for the Educational Festival on May 2.

The fountain in Westside Park has been placed and turned on for the 2019 summer season.

The shingles on shelter #2, south of the baseball stadium at Riverside Park, were replaced. There were some rotting wood beams that were also replaced on shelter #2.

The Chopper Johnson Foundation replaced the shingles on shelter #3 at Riverside Park as part of a donation to the City.

The new welcome banners for Broadway and 4<sup>th</sup> Street have arrived. The new Meridian District banners for 3<sup>rd</sup> Street and the new The Lawn banners are also here so the Parks Staff will be working to put up the banners through all the areas of the community.

The Trails and Parks Department staff are cleaning and evaluating the A-B Trail. With each rain, there is water up over the low water crossings.

The Parks Department continues to pump water from Fantle Memorial Park and Lewis and Clark Soccer Complex. With the standing water and very saturated ground, eventually, there may be some trees that die because of the water over the roots and the trees drowning.

Westside Park Master Planning process has continued with work by Todd, Dave Mingo, and Eric Ambroson. Three visuals of future Westside Park ideas were presented to the public on Monday night, May 6. The three visuals will be placed on-line and input will be gathered about the plans from on-line to help increase the feedback we are receiving about all three plans.

There are a handful of residents who have inquired about the tree replacement reimbursement program for the street right-of-way trees. This is an encouraging sign and will help the City in regards to its total tree count as a part of our urban forest.

The ball fields at Memorial Park, Sertoma Park, Summit Activities Center, and Riverside Park are being dragged and prepared each weekday according to game schedules submitted to the Parks Department.

The parks staff will move bleachers, benches, goals, trash cans, and other items in the coming weeks for the youth baseball, youth softball, youth soccer, and swim team events which will be taking place in Yankton on weekends in May, June and July.

### PARKS

The Parks Department has started to prepare the Fantle Memorial Pool for the summer swimming season in 2019. The cool, wet weather is making the process difficult. The goal is to have the outdoor pool open on Friday, May 31.

Parks Staff will begin working some overtime to keep up with the mowing since the wet weather is limiting the opportunities to mow all the parks and City greenspaces.

The Parks Department prepared Riverside Baseball Field for the exhibition game between the Sioux Falls and Sioux City professional teams on Monday, May 6.

The Parks Department prepared Sertoma Park for the youth baseball tournament on Saturday, May 11, and Sunday, May 12.

The Parks Department is preparing Riverside Park for the SD Kayak Challenge to be held on Saturday, May 25.

The fountain at the corner of Broadway and 4<sup>th</sup> Street was turned on and is operational.

The new welcome banners for Broadway and 4<sup>th</sup> Street have arrived. The new Meridian District banners for 3<sup>rd</sup> Street and the new The Lawn banners are also here so the Parks Staff will be working to put up the banners through all the areas of the community as schedules permit.

The Trails and Parks Department staff are cleaning and evaluating the A-B Trail. With each rain, there is water up over the low water crossings.

The Parks Department continues to pump water from Fantle Memorial Park and Lewis and Clark Soccer Complex. With the standing water and very saturated ground, eventually, there may be some trees that die because of the water over the roots and the trees drowning.
