- B. Future of Parks Advisory Board discussion.

As we move forward this year, we would like to have discussion and thought put in to some different ideas to see what the PAB should be in the future:

Board members should recruit future members and provide these names to the City so they may be asked to serve on the board.

- How do we make sure we are getting a good mix of gender, ages, and leisure interests for those who serve on the board?

The Board should review the by-laws and suggest updates/changes. (attachment)

- Discussions can include meeting days and times? Should there be meetings once-a-month, should the meetings be every other month, or quarterly? What times would work best for meetings to allow board members and the general public to attend? What day of the week would be best?

How does the Parks Board engage the public to get more input on specific park topics that we will discuss at meetings or when we are planning projects for the future?

There may be other thoughts you have about the board and how to better serve the public. Please bring these forward so we can have the discussion.
