

2015-16 Caddyshack League  
2nd Half Schedule

Please contact your opponents to reschedule your match if you cannot make the scheduled match time and/or day. So that league can stay on schedule, please finish all makeup matches during the same week as the scheduled match.

Weeks 9 & 12: Once on the green each golfer MUST putt once, then apply the league putting scale we use. Since we won't be using Auto Putt on those weeks, it's critical you keep your score on the scorecards.

Week 14 will be a Position Week (see matches to the right.) The actual matches will be set once Week 13 is complete.
