

In 2017, a group of residents formed Dive In Yankton and began a grassroots campaign to replace Fantle Memorial Park Pool, which had served the community for more than 70 years. Dive In Yankton undertook a massive community driven effort that included citizens from elementary students to senior citizens in planning, designing, and fundraising for a modern aquatics facility.

Dive In Yankton presented their plan and fundraising efforts to the City Commission, who approved opt-out of the state property tax freeze to fund the project on October 8, 2018. The action was referred, and an election was held on December 11, 2018 where voters overwhelmingly (66% for and 34% against) supported the tax levy increase to fund the aquatics center. Dive In Yankton ultimately raised more than \$2 million from community supporters in cash and pledges, including a \$1 million donation from the Huether Family. The project wouldn't have been possible without the support of the community and generous donors.

Dive In Yankton stated, "We are so grateful to everyone in the community who "dove in with us," and we are excited about the tremendous opportunities that lie ahead for us all."

The City of Yankton thanks everyone for the generous donations that are making The Huether Family Aquatics Center a quality community investment.

This list of donors provided by Dive-In-Yankton:

Major Donors:

The Mike, Cindy and Kylie Huether Family Foundation
Yankton Area Progressive Growth
First Dakota National Bank
Avera Health
