- B. Revenue report from course software. Kevin will provide documents at meeting. City financial from the city software through August 31 is attached. Monthly and Year-To-Date Comparisons document attached.
- C. Discussion on rate adjustments for 2016. Jake Hoffner, at an earlier board meeting, had suggested keeping rates the same in 2016 as in 2015. The December special was in effect for the 2015 season so some of the 2015 pass holders would have paid the 2014 rates for the 2015 passes. If rates are kept the same for 2016 and the same number and type of passes are sold for 2016, the revenue would increase based on all passes paying the 2016 rate.
- D. Course event calendar and updates by Kevin. Simulator and winter plans.
- E. Course conditions and projects – Rockie.

IV. OTHER BUSINESS
