SEPTEMBER 1 - 30

Instructions:

Use the clues on the other side of this sheet to help you find the letters hidden around town. The letters can be found in the windows of businesses and organizations and can be seen from the outside of the building. (Letters are printed on bright green sheets of paper!)

When you locate a letter, note which word it belongs in and record it in the correct box below. The bottom right corner of the letter sign will tell you which word the letter is found in. 

Once you have solved the clues and found all the letters, unscramble the letters in each word to solve the mystery phrase. Write your completed phrase on the blanks below and return the correct phrase by Sept 30th to be entered into a prize drawing for prizes from some of these great local businesses and organizations!

There are 2 ways you may submit your mystery phrase:

1. With the completed phrase written on the blanks (not just letters in the boxes!), put this sheet into an envelope and drop in the book drop at the library. Make sure your name and contact information is listed on the top of the sheet.
2. Email the completed phrase to library@cityofyankton.org. Make sure to include your contact information.

Use these boxes to record what letters you find and what word they belong in:
