

# PUMPKIN PIE CRAFT!

Using the materials in the November activity bag, create a slice of pumpkin pie!

## Included in the activity bag:

- white triangle for the pumpkin slice shape
- orange paper squares for the pie
- brown paper squares for the pie crust

## How to:

Using your glue, glue the orange squares to the white triangle to create the yummy center of your pumpkin pie!

Next, use a stapler to staple the brown squares to create the pumpkin pie crust!

## You will also need:

- a stapler
- a glue stick or glue
