### Include the Library in your 2016 Plans!

During the month of December, we begin thinking about our New Year's resolutions. Often, they revolve around ways to get our bodies in shape, but what about our minds? No matter what our age, we need to exercise our minds as well as our bodies. What better way to do that than to regularly visit the library. You'll find all types of materials in many formats to meet your needs and interests, as well as programs that entertain and inform.

### Gourmet Guys

This is a great opportunity to take part in funding the Friend's latest library project, a new disc cleaning machine!
